PREFACE

Titus II Teachers College, Tiruvalla was established in 1957 under the auspices of the Mar Thoma Syrian Church of Malabar and is dedicated to the revered memory of His Grace the Most Rev. Titus II Metropolitan. The college is affiliated to Mahatma Gandhi University and has an impeccable track record in mentoring empowered teachers.

Vision of the college:

The vision of the college is 'Lighted to Lighten' which focuses mainly in getting oneself lighted to lighten others.

Mission Statement :

Imparting education to develop wholesome personality among its students with moral,
civic and human rights consciousness.

∞ ∞ ∞ ∞

Involvement and interaction with community as agents of transformation.

∞ ∞ ∞ ∞

Promoting exploration in the realm of Teacher Education in the light of Christian
understanding of world and society.

∞ ∞ ∞ ∞

Strength of the Institution

A. Management

The college comes under the management of Mar Thoma Syrian Church of Malabar having headquarters at Tiruvalla and has a long tradition of service to society and in social areas which include education. The college management with its managerial and other resources is a pillar of strength and is committed to provide up-to-date infrastructure and

facilities for the college. The management also recruit and provide teaching and non-teaching staff of good quality. The management monitors the academic and non-academic performance of the college.

B. Values

We give value oriented education to our students. We conduct ethics class as part of our curriculum. Students also conduct prayer meeting on all Fridays. Value education is essentially a matter of educating the feelings and emotions we upheld like 'training of the heart' and consists in developing the right feelings and emotions. Values are thus inseparable from life of the individual.

C. Teachers

Our teachers are a source of information, a guide, a mentor, a surrogate parent, a motivator, all at the same time. Principal and teachers are academically well qualified and experienced. Seven of the teachers are adorned with doctorate in education and five have M.Phil Degree. Four teachers are doing research as part of Ph.D programme. Teachers are concentrated for the all-round development of each student in the college.

D. Students

All the students hold a minimum entry norm of degree with a lower age limit of 20. Many students hold masters degree in their subject. Being goal-oriented they can easily blend with the values, culture and tradition of the institution. It is observed that students have both academic and non-academic goals and use the college activities to achieve these.

E. College Union

The college union members are elected unanimously by the students. The union members work in cohesion for the welfare of the college and the students.

F. PTA

The Parent Teacher Association is constituted every year with the active participation of the teachers and guardians/parents of the students and lends wholehearted support for enriching the educational environment of the institution.

G. Alumni

The Alumni Association of the college comprising of its former students and staff of the college meets this year on 3rd Saturday of May with an aim to enhance relationship and assist the institution in its onward journey to excellence. The Alumni also conducts the inter training college choreography competition, and Titus Teacher Education Award once in two years. Being a college which has entered 56th year of service in the field of education, we have a strong Alumni.

H. Value Education

Every week one period is set apart for value education under the banner 'Ethics Classes'. Eminent personalities and leaders of different religions address the students. Classes on cyber laws, substance abuse, mobile misuse, human rights, civic responsibilities, marriage laws etc. are being arranged in the institution. Group and personnel counseling are also provided. Orientations are organized at the beginning of the course with the motto 'Equipping oneself to equip others'. A discipline committee also functions to help students maintain the decorum of the institution. Mentoring sessions help students to get opportunities for value clarification. An anti-ragging committee also functions in the college.

2. New Academic Initiatives

- **Thought for the week**

Every Friday from 9.30am to 9.45am under the leadership of a teacher, each student gives a thought for the students which is encouraging and nourishing for the week.

3. Innovations in curriculum design and transaction

Introduction of issue based curriculum in schools provided us an opportunity and challenge for innovation. The existing transcripts could not meet the demands of the new challenge. Different seminars were arranged based on this new topic and the faculty made innovative transcripts which could meet the requirements of the new curriculum.

4. Interdisciplinary Programmes

Students were encouraged to have a wider vision of global education rather than limiting their focus to their own disciplines and it meant to broader perspective to the student as a source of knowledge, understanding, inspiration and enrichment. Students were given opportunity to participate in seminars and lectures organized by different departments and raise questions on issues requiring quality.

5. Examination Reforms implemented

Students performed well in their practical examination conducted by Mahatma Gandhi University. The practical examination board expressed their appreciation of the students performance. Similarly head of the institutions evaluate student teacher and give month wise reports to the college. (Appendix I)

6. Candidates qualified SET & NET

17 students of both B.Ed. and M.Ed. cleared SET. Out of 35 M.Ed. students,8 candidates cleared NET and 5 students qualified TET examination.
